DEDICATION

MRS. LOU PRICE

In appreciation for your thirty-three years of service to education, we the 2000 Gator Prints annual staff dedicate this book to you. Thank you for all the wonderful stories you have shared with us about our community and the Indian lore of this region. We remember fondly our enactments of "The Legend of the Singing River". We hope you will come back and share your knowledge with future groups of Gautier Middle School students. Good Luck!
